

**SOOSIE LAZENBY
URBANCOAST**

URBANcoast is a chic invitation studio, specializing in unique suites that capture the vision and personality of their clients. Founded by industry veteran/paper connoisseur Soosie Lazenby, URBANcoast provides a turn-key customer experience. Their expertise guides clients through the design and etiquette process to the day-of wedding stationery. Whether it's a custom creation or from their curated designer albums, their aesthetic is widely acclaimed. URBANcoast delivers the art of the first impression.
